Contact: Prof. Dr. Gorazd Kandus

Phone: + 386 (1) 4773 608

Fax: + 386 (1) 4773 111

E-Mail: gorazd.kandus@ijs.si

Research Topics:

- study of optical wave propagation through atmosphere
- development of FSO channel models
- coding and modulation techniques for FSO
- switching techniques for hybrid RF/FSO systems
