The RINCE Institute, Dublin City University

Dublin City University, Dublin 9, Ireland

DCU

Web page:
http://elm.eeng.dcu.ie/~brennanc/research/research.htm
Contact: Dr. Conor Brennan
Phone: +353 (0) 1 700 7649
Fax: +353 (0) 1 700 5508
E-Mail: brennanc@eeng.dcu.ie

Research Topics:
Computational methods for propagation modelling including:
- Full wave methods, integral equations, parabolic equation
- Asymptotic methods - Uniform theory of diffraction, ray tracing
User indoor location and tracking
Radar Cross Section computation

The Nimbus Centre, Cork Institute of Technology
