

European Association on Antennas and Propagation

Space Geodesy and Geodynamics

Chalmers University of Technology  
412 96 Gothenburg, Sweden

**Web page:**

<http://www.chalmers.se/rss/EN/research/research-groups/space-geodesy>

**Contact:** Rüdiger Haas

**Phone:** +46 31 772 5630

**Fax:** +46 31 772 5590

**E-Mail:** rudiger.haas@chalmers.se

**Research Topics:**

Space Geodesy

Geodetic Very Long Baseline Interferometry

Global Navigation Satellite Systems

Microwave radiometry

Ray-tracing

Atmospheric water vapour variation

Meteorology and Climatology

Space Weather

Tidal effects

Geodynamics
