

Department of Communication Systems
Jožef Stefan Institute
Jamova 39
SI-1000 Ljubljana
Slovenia

Web page:

<http://e6.ijs.si/>

Contact: Dr. Andrej Vilhar

Phone: +386 1 477 3132

Fax: +386 1 477 3111

E-Mail: andrej.vilhar@ijs.si

Research Topics:

- statistical channel modelling for satellite signals
- atmospheric impairments analyzes of Ka- and Q/V-band sa
- propagation measurements

Comments :

Faculty of Electrical Engineering (FEE)
University of Ljubljana
Department of Telecommunications

Tržaška cesta 25
