

Universidad Politécnica de Madrid UPM
GTIC-Radiocomunicaciones
ETSI de Telecomunicación
Av. Complutense, 30
28040 Madrid Spain

Web page:

<http://www.grc.ssr.upm.es>

Contact: Prof. Dr.-Ing. José Manuel Riera

Phone: +34-913367218

Fax: +34-913367350

E-Mail: jm.riera@upm.es

Research Topics:

Propagation and channel models for:

- satellite communications (tropospheric effects)
- millimeter wave and THz communications

Radiometeorology

Comments :

Universidad de Vigo, Dpto. Teoría de la Señal y
Comunicaciones

Escuela de Ingeniería de Telecomunicación, C/Maxwell
s/n, 36600 Vigo, Spain

Web: http://www.dte.uvigo.es/modeling_wiley/

Contact: Prof. Fernando Perez Fontan

Tel: +34-629-877-896

email: fpfontan@tsc.uvigo.es

Research Topics:

Mobile propagation

Land mobile satellite

Navigation

Tropospheric effects

University of the Basque Country UPV-EHU

Alameda de Urkijo s/n
48013 Bilbao
Spain

Web page:

www.ehu.es

Contact: Prof. Dr.-Ing. Juan Antonio Romo

Phone: +34 94 601 4176

Fax: +34 94 601 4259

E-Mail: juanantonio.romo@ehu.es

Research Topics:

Rain propagation modelling and measurements:

- Weather radar measurements
- Terrestrial line-of-sight links
- Earth-space links

Radio network planning:

- Indoor propagation environment
- Outdoor propagation environment
